When will you have the info loaded on the spreadsheet?

Finished my calls and the backup one assigned to me. Not a great hit rate, out of the 6 , I'm at 1.5 actually getting through to a person. 1 house got through and other I spoke with the owner and not the renter yet (hence the 0.5).

One had the number disconnected as well.

Left VMs and with my contact info and open house info.

Just FYI, not sure how everyone else is going.

Pease start making calls this morning and recording it on the spreadsheet. The call list was sent out yesterday. Please remember to include the homes where you are designated as a backup for Alex and Andrew. Let me know if you have questions.

Attached is the approved script and the draft Q&A's for reference.

Subject: Notifications to Begin on Friday

Rita:

Please have the team begin the notification process as early as possible (i.e. 8:00) on Friday morning using the materials I circulated to everyone this evening.

Thanks.

Chris

Subject: Re: Revised Draft Script and FAQs

Hello All:

Thanks again for all your comments and suggestions. In light of this evening's public letter from Mayor Copeland regarding the drinking water issue, EPA believes it is imperative that we go forward with the notification to the homeowners as soon as possible. Consequently, EPA will be reaching out to residents beginning tomorrow (Friday) morning using the materials I circulated earlier this evening.

Thanks again,

Chris

Subject: Revised Draft Script and FAQs

Hello IDEM and East Chicago Colleagues:

In accordance with our discussion earlier today, I am attaching for your review:

1. A revised draft script. If you review it in "all mark-up" format, you will see that I have tried to show EC's and IDEM's proposed revisions and how EPA responded to them.

2. A revised draft FAQ. Anne and her team developed two versions. The first document is our attempt to reconcile all comments. Many revisions have been incorporated; but not all suggestions were accepted. The second document shows the marked-up version of Region 5's original draft with comments from the city and IDEM.

We appreciate your getting your written proposals and comments to us earlier today, and we look forward to your comments on these latest drafts.

Finally, please note that we may be getting some additional comments from our national program office.

Thanks.

Chris
